Egypt is a transcontinental country spanning the northeast corner of Africa and southwest corner of Asia, via a land bridge formed by the Sinai Peninsula. Most of its territory of 1,010,000 square kilometers (390,000 sq mi) lies within the Nile Valley of North Africa and is bordered by the Mediterranean Sea to the north, the Gaza Strip and Israel to the northeast, the Gulf of Aqaba to the east, the Red Sea to the east and south, Sudan to the south and Libya to the west.

Legal Forms of Business Entities

Legal form	Feature
Limited liability company (LLC)	Limited liability companies are formed when there are a small projects that doesn't need a big finance such as service activities, also the name of the company can be derived from any partner's name and there is no limit for the minimum capital to establish it. LLCs are also liable only for their capital investment.
Joint stock company	In the joint stock companies the founders must not be less than three and they are liable only for the value of their shares and its capital is divided in to shares accordingly and it can be acquired by all foreigners and usually it takes from four to five weeks to complete all procedures to start the activity for the joint-stock company.
Branch office	Un like the representative offices foreign companies allowed to establish a branch office in the country and can go with commercial operation if the company has a contract with a private sector party to perform work in Egypt. A branch office has no initial capital requirement.
Representative office:	Foreign companies are allowed or have the right to establish a representative office but only for the objective of making market surveys or feasibility studies and not allowed to enter any commercial operations

Organizational Questions

Topic	Feature
Limited Partnership	A limited partnership may have 2 types of partners, general or limited partners. General partners are fully liable for debts of the partnership whilst limited partners are liable up to the extent of their investment in the partnership
Partnership limited by shares	The limited partnership by shares looks like the joint-stock companies in its establishing but the difference is at least one of the founders must be liable for all the company liabilities and financials.
Bank Account	When applying to have a bank account, companies must have ID Tax register and commercial registration.
